

RECIPE4LIVING.COM DEBUTS NEW CASSEROLE COOKIN' NEWSLETTER

CHICAGO, January 31, 2012, Emilie Yount, Editor --- Recipe4Living.com has added an exciting fresh newsletter to their roundup of existing recipe newsletters with the biweekly publication Casserole Cookin'.

Casserole Cookin' is the latest newsletter that joins Daily Recipes, Quick & Easy, Party Recipes, Budget Cooking and more. Each newsletter focuses on a popular casserole recipe collection or standout dish, and Casserole Cookin' helps cooks create easy dishes that the whole family will ask for again and again.

Casserole Cookin' is a biweekly newsletter that includes some of the easiest casserole recipes you will ever find, from one-dish cheesy chicken collections to the perfect breakfast casserole to welcome the day with. Whether you are looking for an easy meal for the entire family after a long day at school and work or a weekend dish to impress the neighbors or the in-laws, Recipe4Living has a wide range of classic and contemporary recipes that will save you the time, money and energy that creating a typical entrée would take.

"Our readers have been enjoying our casserole recipes for years," says Hillary Marshak, Director of Content Development. "We are glad that we can now provide a specialized newsletter that hones in on the ease and convenience of the casserole cooking experience."

Casserole Cookin' includes a highlighted recipe or collection, the perfect side dish to accompany the main feature and a well-tested tip to give your dish personal panache. In addition to the main feature, there are additional casserole recipes to choose from so that you are never at a loss for variety. You will be able to find the perfect dish for your family or friends every time, whether it's a classic chicken and cheese casserole, fantastic green bean side dish or even a take on a classic Cordon Bleu.

"Our casserole recipes are perfect for any cook that wants new, exciting dinner ideas but doesn't have a ton of time to dedicate to making dinner," Marshak says. "We want to provide busy cooks with a variety of choices, from easy appetizers and main courses to appealing side dishes and desserts."
